

# CLASSIC SERIES

## BUILT TO STAND THE TEST OF TIME.

For consistent clearing performance that pays off, turn to the Classic Sno-Thro® from Ariens®. From the handlebars to the housing, the all-steel Classic is built to stand the test of time. The compact design makes it light and easy to control while interlocking levers allow for effortless, one-handed operation. A steel serrated auger cuts through snow allowing a 12-inch, high-speed impeller to send it flying through a steel quick turning chute.
