## THE STALWART OF THE ARIENS RANGE

A mid-range garden tractor, highly capable for most applications. The new C60 garden tractor is the 'stalwart' of the Ariens range. It is ideal for customers with a large garden who don't want to compromise the quality of finish for the convenience of a ride-on lawnmower.

Fitted with a 107cm (42") XRD cutter deck, the C60 can operate in conjunction with the optional Powered Grass Collector or as a rough cutter. To tackle dense grass, brambles or nettles, configure the C60 with a 92cm (36") mid-mounted brushcutter attachment. .

*OMS is a simple-to-use dashboard display – everything you need to know about your tractor in one location*

*Heavy duty cast axle adds strength, enabling the tractor to withstand the stresses of uneven terrain*

*Access on and off the tractor is made easy with a shaped steering wheel and adjustable seat position*
